457(B) DEFERRED COMPENSATION PLAN
CREDITED RATES OF RETURN

At the request of many authorities, we report, on a monthly basis, the credited net rates of return of the twenty-seven investment funds provided under the 457(b) Deferred Compensation Plan. In no way is this information meant to encourage or discourage "playing the market," but merely is to report what has occurred while waiting to receive your quarterly statement. To interpret the chart, the actual credited net rates of return for each month are listed. The next column represents the cumulative year-to-date at the end of the month listed. The funds are subject to market fluctuation; therefore, we are unable to predict the rates of return. For the benefit of Plan participants, the following funds are listed in the order of investment risk with the Vanguard Prime Money Market Fund Investor Class being the least amount of risk and the American Century Real Estate Fund R6 the greatest. This same information is available when you access your personal account on the web site under "Fund Information". This summary has been updated through **July 2023**.

CREDITED RATES OF RETURN

At the request of many authorities, we report, on a monthly basis, the credited net rates of return of the twenty-seven investment funds provided under the 457(b) Deferred Compensation Plan. In no way is this information meant to encourage or discourage "playing the market," but merely is to report what has occurred while waiting to receive your quarterly statement. To interpret the chart, the actual credited net rates of return for each month are listed. The next column represents the cumulative year-to-date at the end of the month listed. The funds are subject to market fluctuation; therefore, we are unable to predict the rates of return. For the benefit of Plan participants, the following funds are listed in the order of investment risk with the Vanguard Prime Money Market Fund Investor Class being the least amount of risk and the American Century Real Estate Fund R6 the greatest. This same information is available when you access your personal account on the web site under "Fund Information". This summary has been updated through **May 2023**.

CREDITED RATES OF RETURN

At the request of many authorities, we report, on a monthly basis, the credited net rates of return of the twenty-seven investment funds provided under the 457(b) Deferred Compensation Plan. In no way is this information meant to encourage or discourage "playing the market," but merely is to report what has occurred while waiting to receive your quarterly statement. To interpret the chart, the actual credited net rates of return for each month are listed. The next column represents the cumulative year-to-date at the end of the month listed. The funds are subject to market fluctuation; therefore, we are unable to predict the rates of return. For the benefit of Plan participants, the following funds are listed in the order of investment risk with the Vanguard Prime Money Market Fund Investor Class being the least amount of risk and the American Century Real Estate Fund R6 the greatest. This same information is available when you access your personal account on the web site under "Fund Information". This summary has been updated through **January 2023**.
